

Tack, Agnes Gordon (Fuller) (1873-1959)
Diary, Nov. 16, 1908-July 8, 1912. Saranac Lake, N.Y.

1vol. manuscript 19.5cm

Fuller-Higginson Family Papers, Papers of Agnes Gordon Fuller Tack, Box 49
Sheldon II:170

Note: A sensitive account of life at a sanitarium. Includes sketches of both doctors and patients in novelistic style, replete with dialogue. Describes her own physical and mental state of mind; also the routine, diet, and general regime prescribed for tuberculosis. Illuminates her relationship with her husband, Augustus, and provides sharp psychological insights. Entries are sporadic.
